Re: CMPI 610 Negotiations

Greetings MSFSC Unlicensed CIVMARS:

MSFSC (Previously MSC) has notified the Union that they would like to resume negotiations for CMPI Section 610. This instruction covers Hours of Work and Premium Pay. The Union seeks your comments on the attached documents to help us prepare for these negotiations.

Attached please find two documents. The first document contains MSFSC's Proposals for the CMPI Section 610. The second document (14 pages) contains the Unions questions sent to MSFSC in November 2004. It also includes the Agency's response it sent the Union in December 2005.

The Union must now prepare a response to MSFSC's proposals. Any thoughts or suggestions you have are of great interest to SIU/NMU Government Services representatives. You may speak with Maurice Cokes (Norfolk), Kate Hunt (New York) or Chester Wheeler (San Francisco/San Diego) in person at the union halls of the CSU East/West. They may also be reached as follows:
